# DRAFT PILOT STRUCTURE

CAPTURES IN PLURALITY—  
WHAT DO THEY BRING IN & TAKE OUT

## ● A Performance / Circus Tent Model for our Pilot Structure

Tells the stories  
Attracts Supporters / funders  
BARKER

What are the economic poles supporting the tent?

What are other economic poles that we can foster?

in individual / collective  
formal / informal  
owned / free

modular  
scalable  
community practiced  
distributed content

## ● Resourcing the Network for Success

- \* voluntary energy
- \* expansive networking

MULTIPLE FUNDING SOURCES  
- monetize our efforts ..

ECONOMIC FOOTPRINT (unique & special) →

There are different acts  
" performers  
" ways of working together

New Economic  
Engines can  
arise out of  
this effort

\* Creative  
innovation  
economy

Ongoing  
Intentions/  
Efforts

● Bridges Building  
Connecting  
Communities &  
Efforts

● Explore  
Analogous  
Communities  
Adapters etc.

● Identify  
Groups we should  
Foster

● Fostered by!

● Young Leaders  
incubator  
program
